NEW THIS YEAR- Player hotel rooms are not paid for in fees! The player rooms are blocked off, but it is up to each TEAM to organize and book (and pay for) their own hotel rooms for the athletes for each overnight tournament. Please look to your coach for guidance, and your team manager. It is EXPECTED that the athletes will all stay in the same hotel as the coach for continuous team building and ease of transportation. I will block off rooms at the hotel, but then the responsibility shifts to team level. Why the change this year? To save cost to parents, if you are going to a tournament, your child can stay with you so you're not paying for your room and a portion of the athlete room. If you still want your child to bunk with their team mates and you have a separate room, that is also your choice. If you, as a parent, aren't going to the tournament, it is up to you to make sure your child has a ride to and from AND their accommodations sorted out. Uncertainty due to ever changing covid rules still this year, we felt building the hotel cost into fees wasn't ideal.
